

University of Utah Campus

# Hands-on Dental Sleep Medicine and TMD for the Dental Team Certification Course

September 5-7, 2019

University of Utah Campus, Salt Lake City

## Schedule:

- Thursday 9am-5pm
- Friday 9am-5pm
- Saturday 9am-noon
- Snacks and lunches will be provided at the conference.

## Format:

- Students will be given approximately 11 hours of online content to be viewed before arriving for the program
- Students will be divided into a “clinical track” or a “front office track” based on their preference
- We will end by noon on Saturday so that your team members can catch a flight out that same day

## Accommodations:

- Salt Lake City Marriott University Park: 801-581-1000
- University of Utah Guest House: 801-587-1000

## Who should attend this course?

- Dental team members (assistants and front office staff...no doctors please!) wanting to learn more about treating sleep apnea and TMD
- Office team members who need help with billing medical insurance
- Those who want hands-on clinical experience
- Team members that need to get excited and on-board treating/screening for sleep apnea and TMD
- Those who want to improve on their current knowledge and abilities to treat sleep apnea and TMD patients
- Staff members that want to become certified in treating dental sleep medicine and TMD

## What topics will be covered?

- Sleep apnea and TMD basics
- Screening patients and dialogue to use with patients
- Process of testing, diagnosis and obtaining a prescription for treatment of OSA patients
- Adjusting appliances
- Fixing appliances
- Records and bite registration
- Proper fitting and follow-up
- Basics of billing in and out of network
- How to pre-authorize treatment
- How to deal with denials
- How to fill out a HCFA form
- And more!

## Tuition:

**\$899 per team member**  
**AGD credits: 28**
